THE LAST PHANTOM

Born July 1988 Died October 1994
GREAT ORGAN PUT TO BED FOREVER

APOCALYPSE GNU ?

Well it has to be a certainty for some of us. The resultant "Merger" will certainly be a market dominant machine of a company; but it remains to be seen who will live to benefit.

"MERGER LATEST"

After much high level negotiations, and many lawyers made their pension funds. The new company has been launched under the combined name of KNOSENSE.(A sure winner if ever I heard one Ed).

DIESEL PLEASE.
